MAKES MY LITTLE WORLD COMPLETE  
*made with love* ♥

## MOMMY BAG COLLECTION *Teddy*

Childhome's original Mommy Bag with Belgian Design has been a worldwide hit for years. The nursery bags are super handy and come in different sizes and colours for the entire family.

Last year the bags received a make-over in Teddy style. The ultra-soft fabric represents tenderness. Available in Beige and Off White.

*"Fashion is a passion, also for babies."* - Nathalie Aerts, designer of the Mommy Bags.
