

# MOSES BASKETS HANDMADE WITH LOVE

JANUARY 10, 2020

LATEST NEWS

Childhome's Moses Baskets are handmade with love by skilled locals in a small China farm village. They handcraft the Moses Basket in the comfort of their own community, where they are collected from. Working safely in their own village, they don't need to worry about transportation. This way the craft women can easily combine their job with their family life.

Carefully crafted by the hands of these skilled women, every Moses Basket guarantees the highest level of quality. No technical error or manufacturing defect, only high quality handcrafted products, carefully made with love.

Childhome's beautiful Moses Baskets are the ideal crib for the first weeks of a newborn baby. They are perfect for a cosy and comfortable nap. And when baby grows out of it, parents can use them to store toys or some extra cushions and blankets.

Childhome is a Belgian manufacturer of baby furniture and products. Their philosophy is based on improving the lives of young parents. Whilst designing their products in the best interest of a child, they always stay true to their four core values – Innovation, Comfort, Safety and Passion.
